# SENIORS REFLECT

As we go our separate ways after graduation, reflect back over the past 3 years filled with memories and experiences that are responsible for making us the unique individuals that we are today.

As sophomores we were considered the naive underclassmen at B.H.S. Our first year in the "BIG SENIOR HIGH" was full of new challenges that we met and the majority of the time we succeeded in overcoming these obstacles. "Arthur" and "Taps" were box office smashes while Journey and Loverboy climbed to the top of the pop music charts. The world watched as Prince Charles married Lady Diana and the news was filled with the launching of the first space shuttle. Terror effected the world as Egyptian Pres. Anwar Sadat was assassinated and attempts were made on the Pope and Pres. Reagan. Bemidji was making the headlines on it's own as our teachers walked out on strike Nov. 4 for nearly 2 weeks. As Sophomores we didn't really make much of an impact on the happenings at B.H.S. that year. The major thing for us that year was that we finally passed our written test and received our official drivers license. We all have our own personal memories of that year and before we knew it our Jr. year was only weeks away.

We knew from day one of our Junior year that it would differ greatly from the previous one. "An Officer and A Gentleman" stole the Jr. women's hearts while "Porky's" gave the Jr. men a few new ideas. The winter months dragged slowly on by but keeping ourselves entertained was no problem as the "Fish house" was the prime social spot. The big newsflash at B.H.S. was the legendary bus trip to the Roseau Hockey game. Unfortunately we all had a little **too** much fun so the school put all 40 of us on a 3 day suspension to think about it. We did however learn a lesson through all of this: NEVER TAKE A BUS TO ROSEAU! Spring arrived and many of us were busy planning for our first JR.-SR. Banquet and Prom. During the school days we were swamped taking the PSAT, SCAT, and studying for finals as the end of the year was soon approaching. Weekends were filled with parties at the PITT, watching Night Traks at friends homes and a variety of other activities. It seemed that no sooner had our Jr. year began and it was over. Many of us were hesitant to say our good-byes to the Seniors but we looked on to next fall with a sense of adventure and our expectations were high.

After waiting for several years, our Senior year officially began on Sept. 6. We finally knew what it felt like to know that YOU belonged in Sr. hall and you weren't just passing through as an underclassman. This was our year and we were going to **SHINE**!!!

The fall was hectic as we filled out applications, tried to figure out how to apply for Financial Aid, had our Senior pictures taken and ordered our Graduation announcements. Even though we were busy, we always had enough energy left over for the weekend dances, sports events, and parties. Spring soon arrived and the realization set in that graduation was not far off. Senioritis took its toll on many of us as we experienced frustrating decisions and changing emotions. Letters of acceptance to colleges began to arrive at our homes and we realized that after we were finished with that semester we wouldn't have the security of B.H.S. any more for it was

time for us to move on into the "REAL WORLD". Although we knew we must act like adults, that didn't change the fact that we still did some pretty crazy and I suppose you could say immature things such as pulling pranks on friends, flirting with the underclassmen, and just being ourselves. I guess this was our way of trying to gain back some of the lost time that flew by so quickly during High School. As graduation day approaches what was once a dream, is now a reality . . .

The memories you have within yourself are a priceless gift given to by the many people who were a part of your life during the past few years at Bemidji High School. Capture these images and don't ever let time fade them away as you venture out on your own. For no matter how many miles separate you from your friends, you will always have the ability to reflect back . . .

# TRIBUTE TO UNDERCLASSMEN

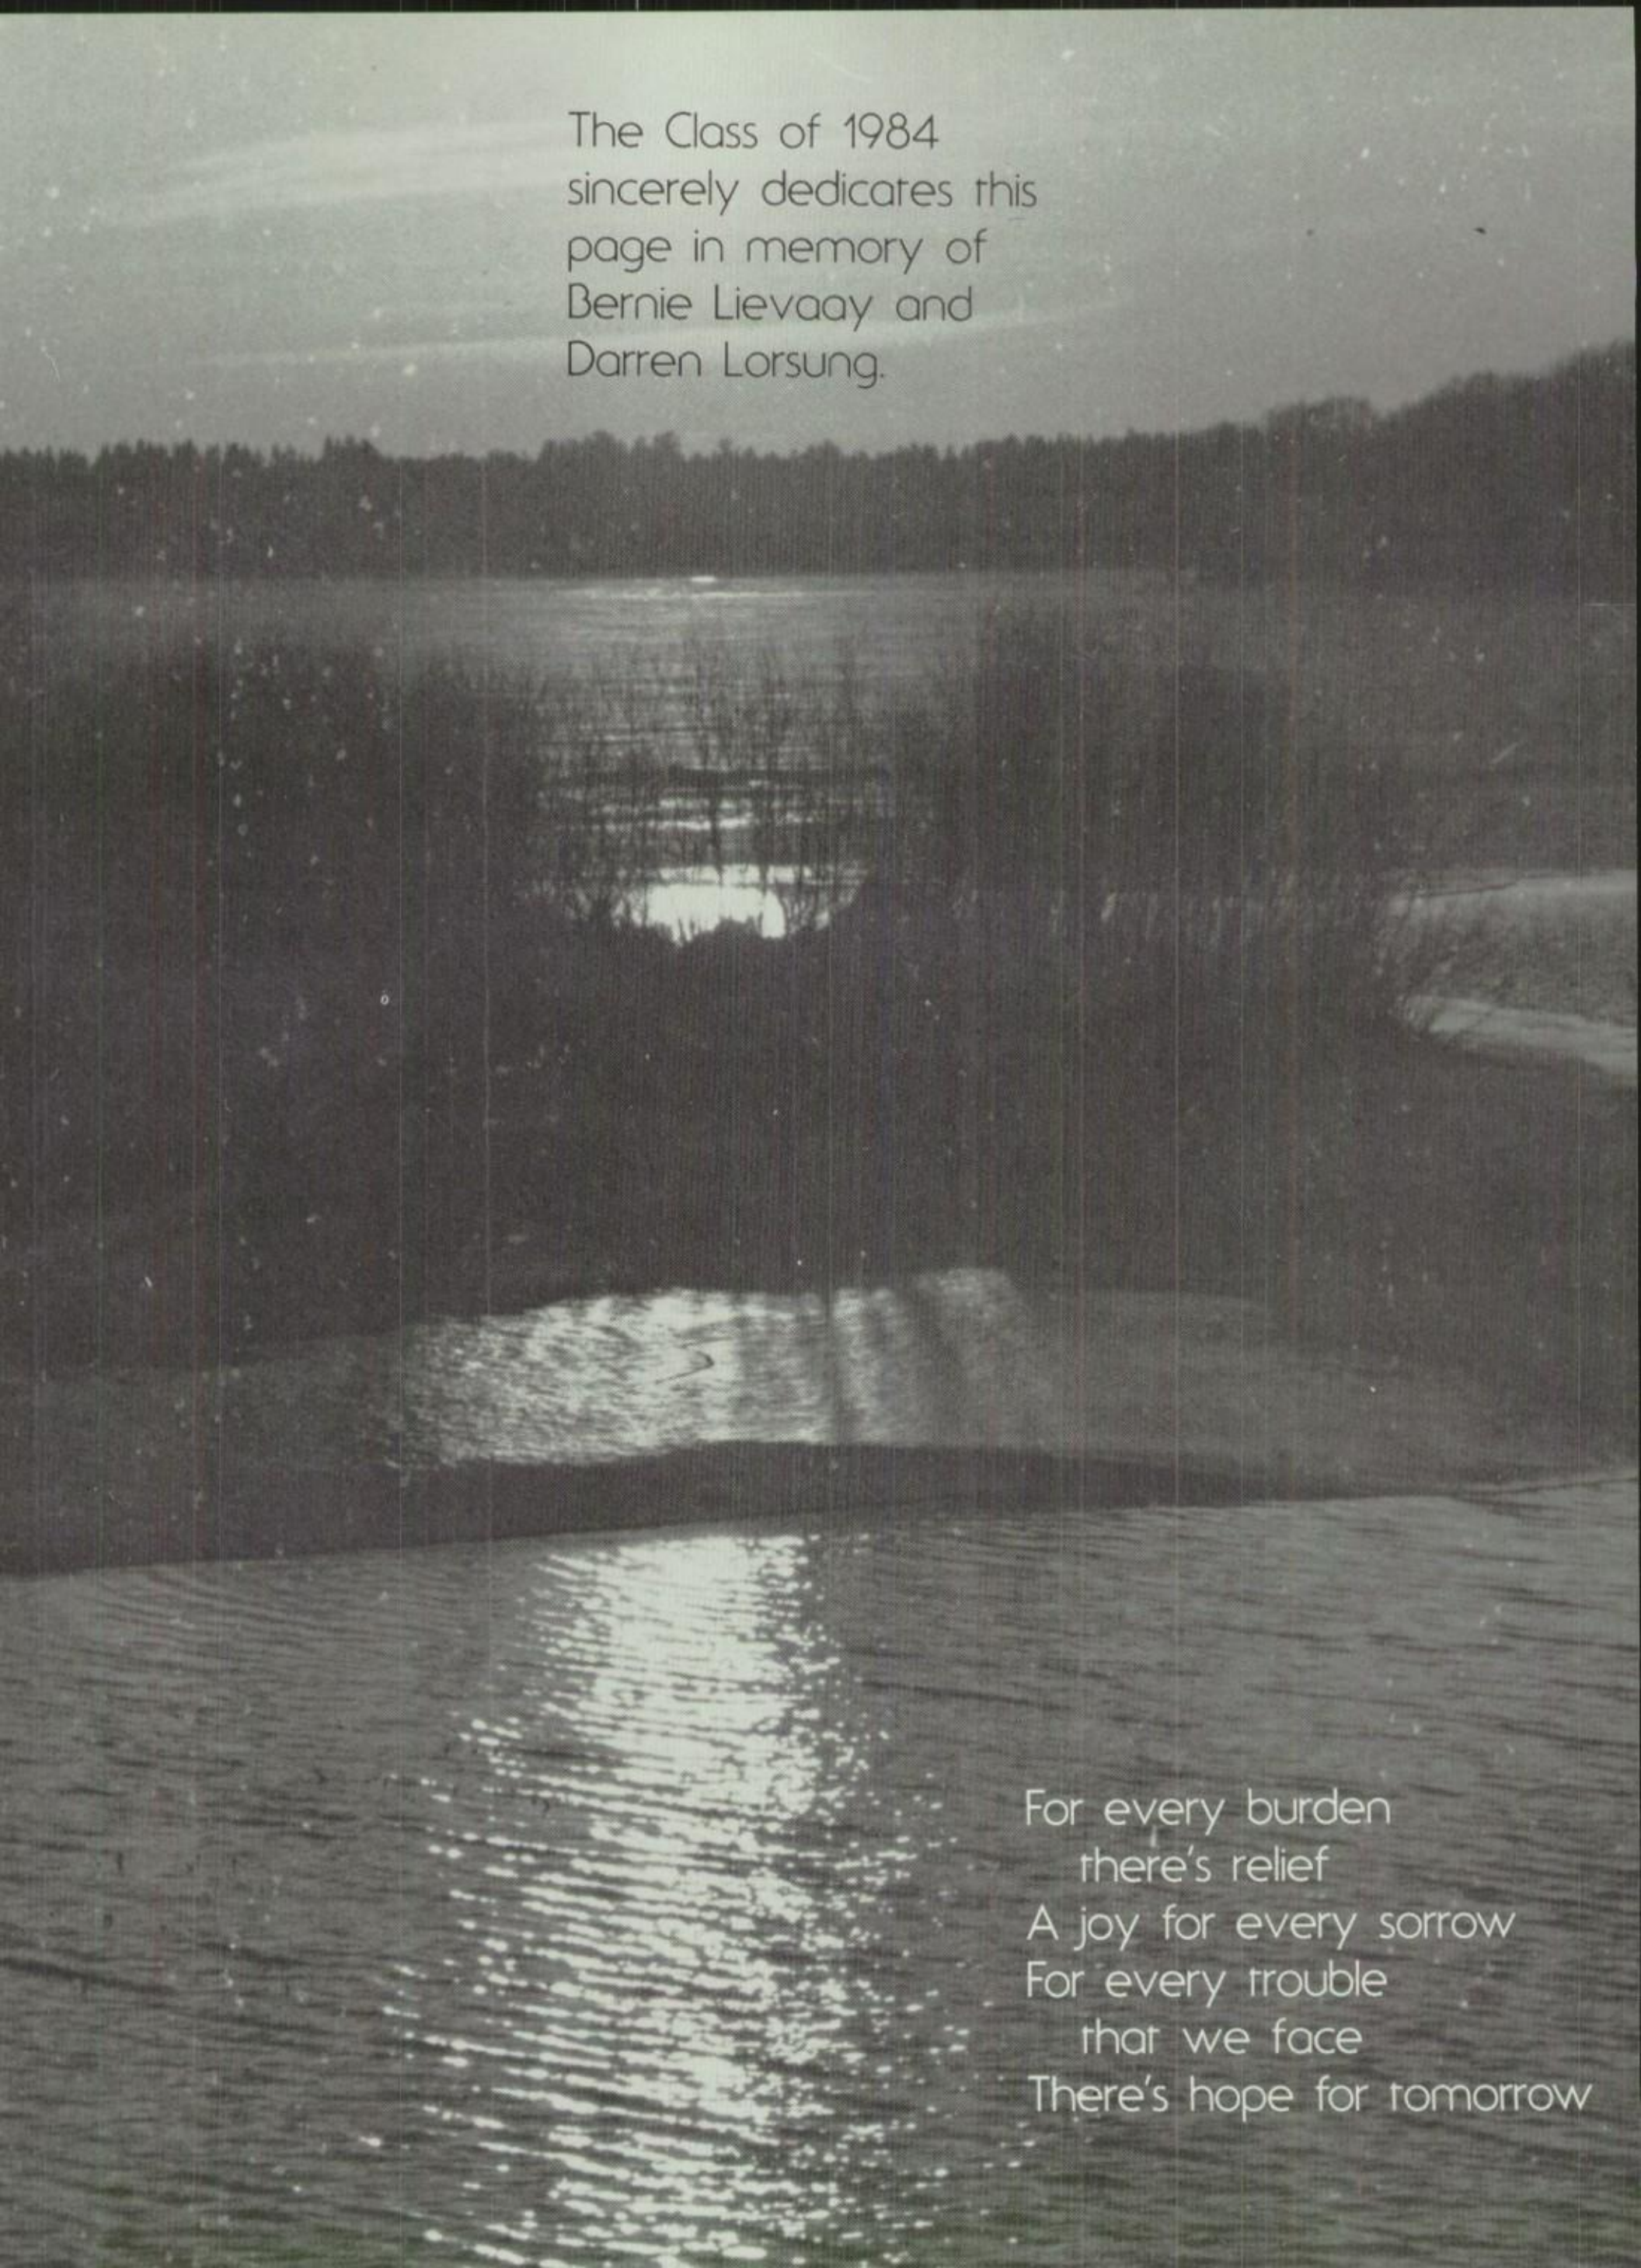
As the Senior Class of 1984, we would like to pay tribute to the Underclassmen at B.H.S. Contrary to what the school newspaper said in their January issue, there are "REAL" Freshmen, Sophomores and Juniors.

The Freshmen seem to have it the worst. They are constantly being cut out of activities and are usually being blamed for something. (Whether or not they actually did it is another point entirely.) A Senior couldn't even begin to count the times that one of their teachers has said, "Stop acting like a Freshman". These 9th graders are easily recognized through out the school as they are constantly running down the halls and inevitably running into a teacher, administrator, or worst yet, an UPPERCLASSMEN! The B.H.S. Freshmen are definitely credited with the ability to giggle at any given situation. As you go through the next 3 years, always be careful as to how you treat the Freshmen Class and remember that you were once in that same place.

The Sophomore Class will always be remembered by the 1984 Seniors as the grade with the most school spirit. No matter what the theme or the weather was, the Sophomores came dressed to the "max." On Toga Day the Sophs literally bared the sub-zero temperatures in their sheets and sandals. On Beach Day walking down Sophomore Hall was like actually going to the beach as swimsuits shorts, and lawnchairs were visible and suntan oil filled the air. The Sophs can also be credited with carrying on the tradition of disecting fetal pigs. The Sophomore Women started their own tradition this past Fall by being the first Powderpuff Football Champs. The Class of 1984 will never have to worry about school spirit being carried on as the Class of 1986 has definitely showed their abilities.

Last, but far from least, we would like to pay tribute to the Class of 1985. This class has been giving us Seniors competition since back in 8th grade. But to all of our benefit we have learned to work and party together not against one another. The Juniors will always be rememberd as having the most clean-cut guys to ever roam the B.H.S. halls and rowdy women that have captured the ability to have fun without getting caught . . . yet! We as Seniors would like the Jrs. to know how much we value our friendship with them. Although we may not show it, we are proud to have this class follow in our footsteps. They have displayed their strong values and it is evident that their priorities are in the right place. As we go our separate ways, always save a place in your memories for the '84 Seniors because you Jrs. have definitely created a permanent place in the hearts of many Seniors.

We, the graduating class of 1984 wish all the best to our successors for we know that they are capable and willing to carry on the Senior Tradition of Excellance at Bemidji High School.



The Class of 1984
sincerely dedicates this
page in memory of
Bernie Lievaay and
Darren Lorsung.

For every burden
there's relief
A joy for every sorrow
For every trouble
that we face
There's hope for tomorrow

Look to this day!

For it is life,
the very life of life . . .
For yesterday is already
a dream, and tomorrow
is only a vision;
But today, well lived,
makes every yesterday
a dream of happiness,
and every tomorrow
a vision of hope.

# FALL FEST 83

Homecoming Week, Sept. 26-30, was a week filled with spirit, friends and just being crazy! On Monday, everyone showed up in their oldest and most comfortable jeans, cut-off sweatshirts, and a variety of original hats. "Punk Out" and "Peace Baby" were popular expressions on Tuesday: Punk and Hippie Day. Green hair, wild make-up and hip-hugger jeans seemed to fit in appropriately. After school were the First Annual Powderpuff Football Games. The girls had a great time and the guys had a great laugh. Wednesday came and the school was filled with class and style as students modeled the latest in Formal Attire. On Thursday students were heard chanting TOGA-TOGA as they ran around with sheets on their bodies and plastic flowers in their hair. This was also the day of the Powderpuff Championship Game with the Sophomores taking the title. Friday the school spirit peaked in both the students attitude and the way they dressed. All grades were assigned colors of the rainbow with the Seniors wearing the school colors Blue and White. The Pepfest was officially started when class president Rocky Wells ignited the torch. The suspense we all felt was ended when the Homecoming King and Queen were crowned and the Senior Class traditionally won the Hall Decorating Contest which we all dedicated long hours to and felt very proud of! The Male Danceline made their "Debut" while Sr. Darin Berglund tried to figure out who acutally kissed him. Unfortunately we lost the football game but that didn't get the B.H.S. students down as they danced the night away with the band Quadrant. The Homecoming Dance brought an end to a week that we all look forward to for months and will remember for years to come!!!

Hey! Look at us!!!

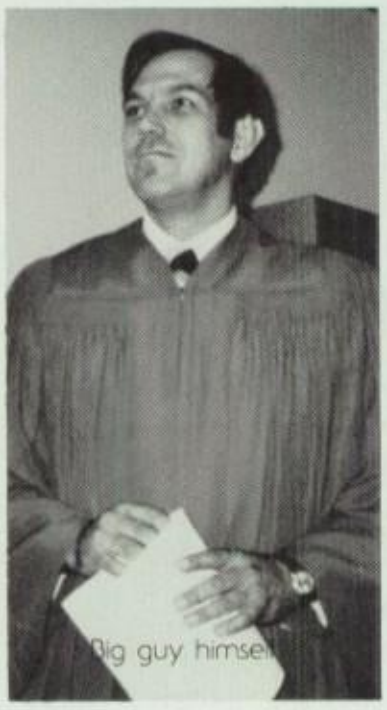
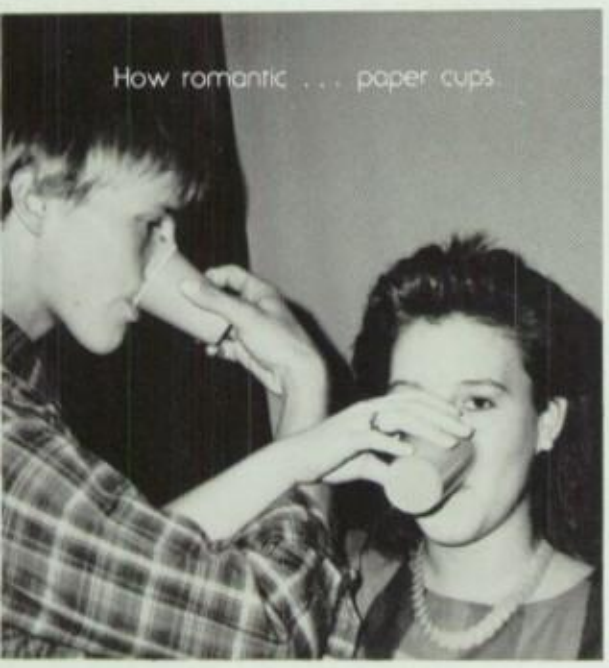
# A SPECIAL NIGHT

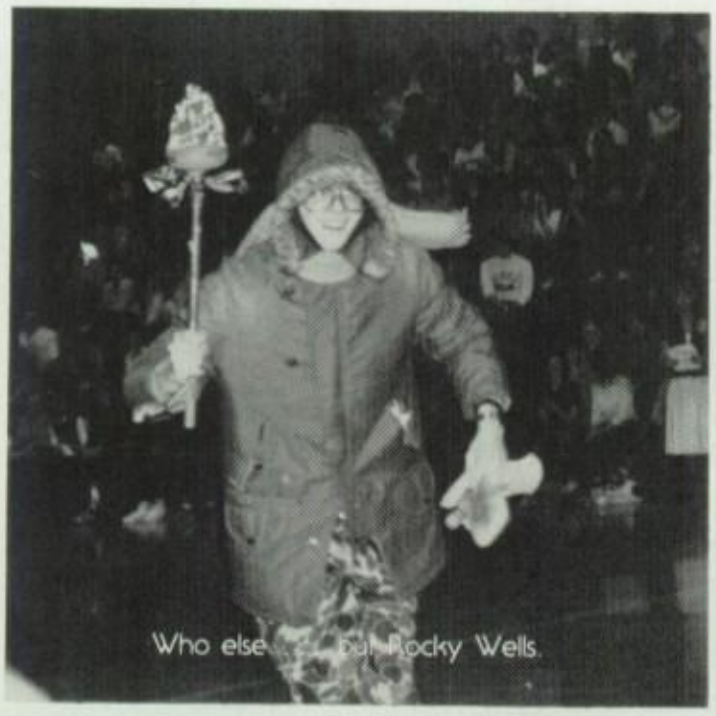
On Dec. 17, 1983, the Christmas Formal tradition was once again carried out. Rich Sundvall is credited with booking the Peter Z Band while Wendy Powers organized ticket sales and decorations. Many other Senior Women took part in the decorating of the Beaux Arts Ballroom and making refreshments for the dance. The majority of couples dined out that evening while others had dinner parties at their homes. From 9pm until 1 am the ballroom created a mystical atmosphere as the theme "Once Upon A Midnight Clear" put everyone in a romantic mood. The glamour of tafeta dresses and full tail tuxes graced the floor as magical moons and stars glittered from above. When the dance was over, couples went in groups to bring in the dawn their own way. Thus ended a night to always be reflected upon as a special part of High School.





# SENIORS TIE THE KNOT

". . . and I now pronounce you man and wife." These words echoed through out Senior Social classes as the Seniors went through the actual wedding ceremony. The students spent the preceeding weeks learning about marriage and divorce laws in MN. A compatibility test was also required before you and your "spouse to be" could be joined in holy wedlock. The big day came and many classes took their wedding to heart as long dresses and suits were worn, bouquets carried, and a big reception followed with wedding cake and champaign. None of this would have been complete if it wasn't for the superb acting job by the Rev. Ms. Dow and Father Galernault who performed the ceremony. The whole marriage unit taught the Seniors that there is much more to getting married than walking up to the altar.



Who else but Rocky Wells.

# SNOW WEEK: MORE IN 84

Snow week this year was no exception to the amount of school spirit BHS students are willing to produce when they really want to. The week got off to a shaky start as Monday was Misc. Day. It, more or less, didn't go over real well because no body knew who anyone was supposed to be. "Hollywood- Here I come!" was often heard as Phyllis Diller, Boy George, and Miss Piggy roamed through the BHS halls on Tuesday, Hollywood Star Day. Party hats, punk ties, and mirrored glasses were the "cool" things to wear on Wednesday because the theme was hat, tie, and glasses day. On Thursday everyone caught a severe case of spring fever as the smell of suntan oil was all around. Beach Day was a huge success as the majority of the student body came to school with lawnchairs and sand toys, while wearing shorts, sandals, and swimsuits. Friday soon arrived and the school was brightened up by students dressing up in their assigned colors for Rainbow Day. Pepfest got off to a hilarious start as our own Olympic runner, Rocky Wells, ran through snow and ice to light the ceremonial torch. The MC's were Dave Herath and Georgia Teeters, who did an excellent job keeping things organized. At the beginning of the Pepfest, Dave Lawrence and Brenda Picker were named the 1984 Snowman and Snowwoman. Seniors dominated the awards by winning the yelling contest and having their awesome Coke can win the snow sculpture trophy. Pete Lapp guzzled a pitcher of Rootbeer in record time leaving his competitors far behind. The female danceline performed doing both a novelty dance and their State Competition dance. The male danceline was encouraged by loud applause to perform their latest dance which was choreographed to the sing, Dead Ringer For Love. The basketball and hockey cheerleaders strutted their stuff in a dance to Manhunt.

That evening the Lumberjack hockey team won their 12th game defeating Moorhead 9 to 2. There was a dance following the game at the high school which put a rowdy end to a fun and crazy week.

# GOOD TIMES, GOOD TUNES, GOOD FRIENDS

When people mention High School you automatically reflect back upon all the memories that were made during those years. Sure thoughts of research papers, science projects and finals have a small place in those memories but the majority of our good times in High School were actually spent ourside the walls of B.H.S. We all have special places that bring back personal memories such as friends homes, sports events, party places and even restaurants that we spent many late hours at. Songs also have a large impact on our moods and memories. Certain tunes make ya wanna stand up and "jam" while others mellow you out and start you thinking about that "special someone". Music automatically brings back the crazy times we have all had at the numerous High School dances. Coming in late chewing a wad of gum, doing the "Curly Shuffle", trying to master the latest in punk dances and just relaxing and having a good time. But all of these memories would be meaningless if it wasn't for the friends with which we shared these times. Think back over the past years and all of the private jokes shared, clothes borrowed and still not returned, nights out when things got a little out of hand and your faithful friends were there to get ya home and the infinte number of problems, big and small, that you and your friends solved . . . together. These memories should always be cherished as we go our seperate ways in the future. Reflect upon these good times, good tunes, and good friends . . . for these have made us grow!!!

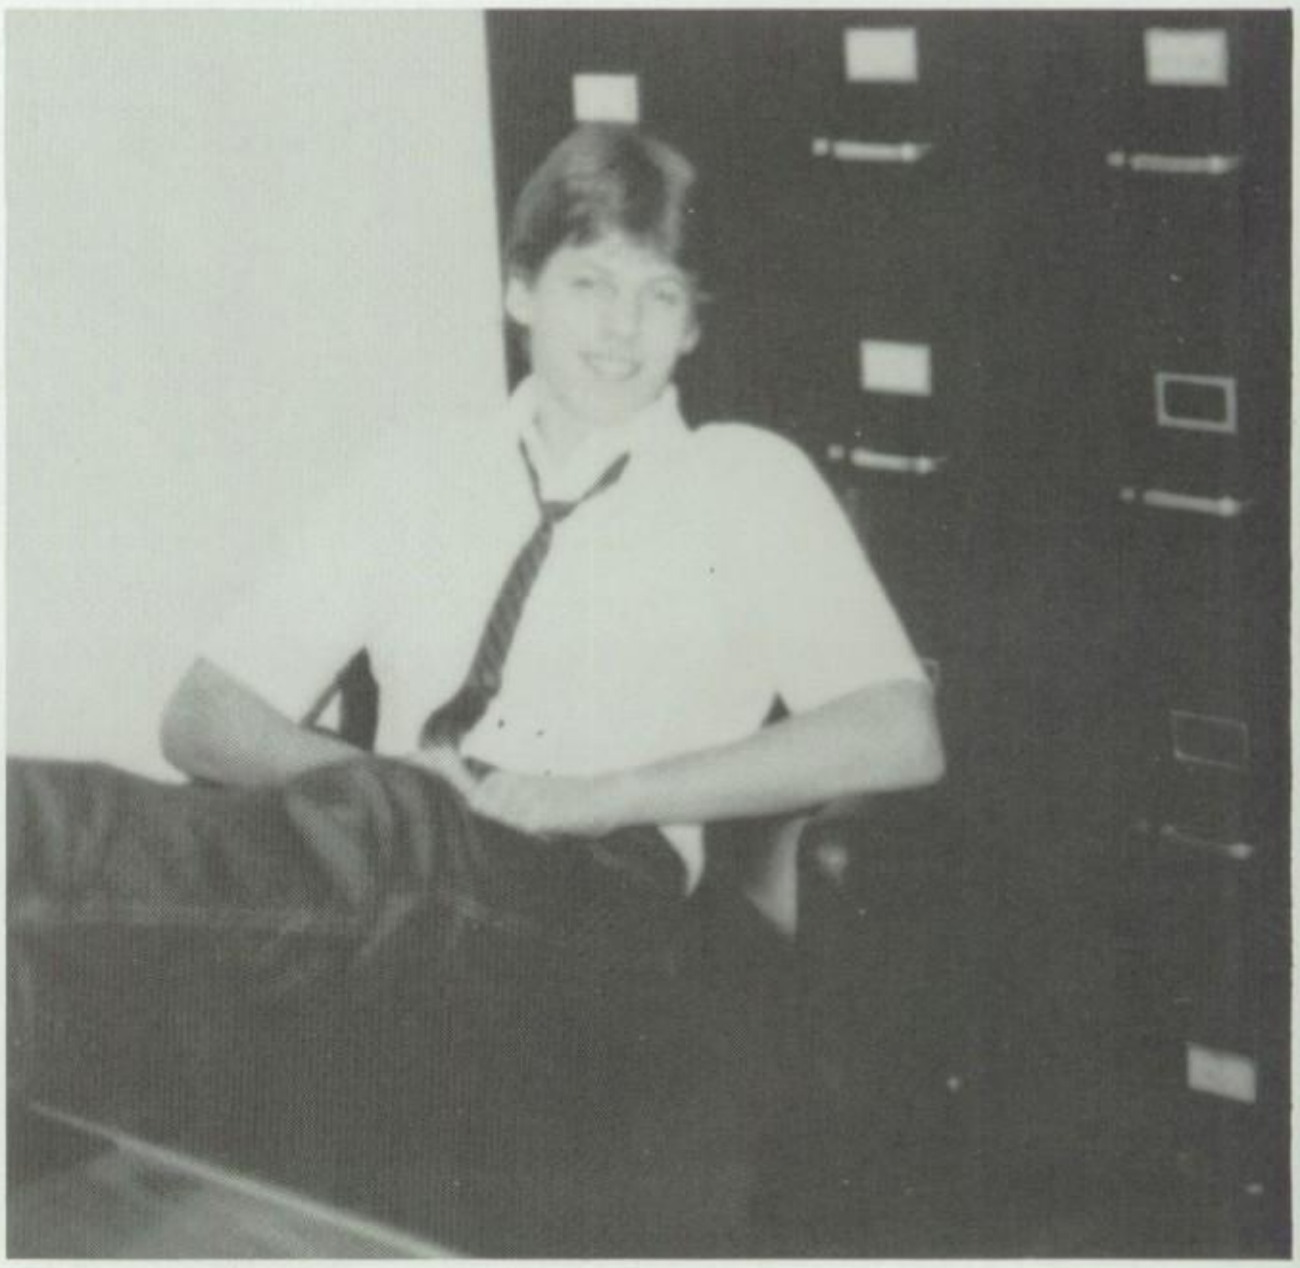
# STUDENTS WHO



## PRESIDENT KAVANAGH

John Kavanagh is blazing the leadership for BHS as its second student ever elected to the presidency of the Minnesota State Student Council.

Junior John Kavanagh was elected to the position on November 5th at a banquet at Moorhead State University highlighting a three-day student council convention.

John made the decision to run for the highest position on the State Student Council over a year ago. After a campaign managed by Sophomore Jenny Fisher and attendance at several leadership workshops, John was successful in attaining that goal.

Letters to all Minnesota councils encouraged students to attend the convention and John brought his campaign into full swing at the convention by personally meeting as many voters as possible. "That was my whole campaign," he said. "I felt it was the campaigning that did it."

"I'm really looking forward to working for the state organization, but I'm still hoping to work hard on the local organization," he stated.

John has served five years as a student council representative.

He will preside over the monthly state meetings and organize the state convention for the next fall.

The State Student Council votes on resolutions. It also sends newsletters to local councils and seeks input. The group is parented by the Minnesota Association of Secondary Principals.

We congratulate President John Kavanagh on his outstanding achievement!

# DESERVE RECOGNITION

## SPENDS YEAR AT BHS

Minna Vuori is a foreign exchange student from Finland. She is a senior at BHS.

Minna spent the first part of her stay with hosts Duane and Elaine Christianson and their son Kevin, a senior. Her second host family was Daryl and Kay Knoer and their son Brad, a senior. Minna's final host family was Tom and Yuonne Sunnarborg and their son Mike, also a senior.

Minna decided to come to the U.S. because she had heard from friends that it was really a fun experience. She also felt that it was good to get away from one's home and experience new things.

Although Minna had taken eight years of English before coming to Bemidji, she admitted that it was sometimes difficult to understood things. Minna also said that also much more simple. The punk-look is common in Finland."

Minna greatly enjoyed attending BHS. When asked if she would come back to Bemidji again, she replied, "For sure! I'm glad I came here, and I will definitely come back again.!"

Lynnette Fadness was among the first in the nation to receive what is being called the highest honor bestowed upon American youth, the Gold Congressional Award.

Lynnette, a senior, traveled to Washington D.C. to be bestowed with the gold medal on January 31. The medal is an award for initiative, achievement, and service.

Lynnette completed hundreds of hours of work in 18 months to earn the gold medal. The award requires committments in four areas: personal interests, community service, expeditions, and physical fitness.

Public speaking was Lynnette's area of special interest. During the 18 months, she presented speeches to several civic organizations on subjects ranging from handicapped to Martin Luther King, Jr.

She was required to serve 192 hours in the community to meet the service requirement. She worked 541. Most of these were spent as a volunteer at Brainerd State Hospital during the summer of 1982.

All people working toward the gold award must participate in an expedition that removes them from their customary environment for several days. Lynnette spent a week working with handicapped children at Camp Rainbow's End.

"The Congressional Award Program has helped me to set goals. It builds up one's self confidence. It's just a matter of setting time aside and doing what you said you were going to do."

The Congressional Award Program also recognizes six months of achievement with a bronze award and one year of effort with a silver award. Bronze awards were earned by BHS students Kathy Vold (Freshman) and Patty Jensen (Junior). A silver award was earned by Heide Trihey (Junior).

# PROJECT 120

## STUDENTS GO TO STATE

Project 120 is a week-long learning experience at Minnesota's State Capitol. Students learn about the political process and the states government by meeting with state constitutional officers, talking with government staff, lobbyists and media representatives, watching the House, Senate and Supreme Court in session, and talking individually with the senator and representative from their own home district.

# SPEECH TEAM

## SPEECH TEAM NEVER LEFT SPEECHLESS

The Speech Team started the year by breaking in two new coaches: Mr. Fodness and Mrs. Lunde. Mrs. Sharpe, formerly the assistant coach, became the new head coach. Since the new coaches wanted to spend a lot of time coaching students, the team didn't have a home meet, but they did attend several other meets, including Staples, Aitkin, and Park Rapids.

# STUDENT COUNCIL

## STUDENTS LEAD BY COUNCIL

Student Councils are always kept very busy, and this year's was no exception. They started off with a busy schedule of Homecoming festivities, and they have been progressing rapidly ever since. The council sold their share of cookies and candy canes, and they also took a stab at improving the students social life by offering a computer dating service. They have made many major accomplishments this year. Junior representative, John Kavanagh, was elected president of the Minnesota Association of Student Councils. Through the year they have done their best to promote positive student attitudes, and they hope their attempts were successful.

## YEARBOOK STAFF REFLECTS "83-84"

Late nights, rushed deadlines, brainstorming for creativity and Fruit Loops were all major parts of the 1983-1984 Yearbook Staff. We were very small in number, but the majority of the time this worked out to our advantage. With the leadership of "Sully" Sullivan we learned a lot about putting a yearbook together, but more importantly about working as a unit, not as individuals. Yearbook '84 gave us all unforgetable memories: plastic forks in the grass, frequent trips to McDonalds and Hardees, making snowmen during 6TH hour, and laughing about the man held prisoner behind the chalkboard were just a few of the crazy things that went on. Each of us a unique person and we all shared a common goal — to combine our individualism, and succeed in making the 1984 yearbook the best ever!!

# DECA

## SOLD ON DECA

DECA is a co-curricular, student-centered organization designed to provide activities that will motivate young people to learn marketing comperencies which will prepare them to become skilled, employable workers. In DECA students also learn marketing, communications, leadership and social skills. Our emblem, the DECA Diamond symbolizes vocational understanding, civic consciousness, leadership development, social intelligence, and the wrapped package in the middle symbolizes a job well done. The job was done in cooperation with school officials, students, parents, and the business people working together.

# MOEA

## MOEA IS A BETTER BUSINESS BUREAU

Minnesota Office Education Association (MOEA) is the capstone of a student's occupational training program in office occupations. This vocational program provides for the coordination of classroom study, on-the-job training, and club activities, each complementing the other. In this program the students have their schedules arranged so that they attend classes part of the school day and are employed in office capacity during the other part of the day. The practical office experience is to be considered as an extension of the instruction which the student receives in the classroom. MOEA is intended to provide training for office careers.

## JUST FOR THE HEALTH OF IT

Health Occupations is a fun way to look at the wide range of health careers. The students do a lot of reading and paper work, but also have the opportunity to go out into the public and work directly with the people. The class has made several field trips to nursing homes and to the AVTI in East Grand Forks. The group is a great one, and to top it off, Mrs. Brew is an extra special adviser.

## PEP CLUB SHOWS SUPPORT

The Wrestling Pep Club helps support the wrestling team. They announce the upcoming matches and try to give emotional support to the wrestlers, making them proud to be on the team. Wrestling is an individual sport which fits together quite well with the WPC as it is the only pep club in the school. The members admire each individual on the team. The wrestlers motivation and determination is felt by the entire crowd and will leave a person inspired after they leave the match.

## SENIOR WOMEN ADD CLASS

The Senior Women of 1984 got off to a good start this year with the ordering of official Senior Women T-shirts, buttons, and pens. Christmas Formal, which is no longer a Senior Women project, was a major concern and quite a few of the girls pitched in to help out with decorating Beaux Arts Ballroom. Plans for a pre-graduation class party are now underway, and we are hoping for a big turn out. Senior Women are shining examples of school spirit at B.H.S., and we, as well as our foresisters, are confident that the tradition will live on. Best of Luck to you from the Senior Women of 1984!!!

# TOUCH

"Touch" is an organization built to make people, especially young children, aware of the different kinds of touching. They are told which kinds are good and what to look out for as abuse. The members are: Dave Cox, Dawn Westlie, Jay Talsness, Jenny Fisher, Misty Fear, Julie Holub.

Shawn Grimsly, Dana Collins, Tim Huges, Samuel Sargent, Wes Peck, Scott McCoy, Carl Knutson.

The A.V. Aid is a very important job at the school, and yet it's one that gets very little recognition. The aids make sure that teachers get the equipment that is necessary to show films, slides, listen to tapes, watch video tapes, etc. Another thing that is important is that they video tape home games so the teams can improve by watching themselves play.

# SIGHTS AND SOUNDS IN ACTION!

The Madrigal Singers is a select group of some of the best singers in the high school. This group performs very hard music without the benefit of a piano.

The Symphonic Wind Ensemble, which meets fourth hour every day for rehearsal, had a good year this year. We performed several numbers that took quite a lot of concentration and excellent playing ability. Some of these were: "RUSSIAN CHRISTMAS MUSIC", "CACCIA AND CHORAL", and Nancy Seeley did a superb job on her solo work by Mozart, which she played to woodwind accompaniment at the February concert.

Graduating from the Winds this year are: the trumpet section, the horn section, the baritone section, ½ the tubas, ½ the drummers, and a few flutes and clarinets.

RETURNING from a summer trip to Portland, Oregon the B.H.S. Marching Band drilled out a new field show to perform at the home football games.

The band marched to several selections demanding expertise in both marching and instrumental capabilities.

In Oregon last summer the band competed with some of the nation's best marching bands on a high school level. They entered both the field and street competitions.

# BLEACHER BANDS

The Pep Bands this year were the traditional boogie band and the Banana Band. They performed all the old favorites that they've played from year to year with the addition of an entire new book of songs for their repertoire. Another new Pep band appeared on the scene to play for the I.B.A. VS. B.H.S. faculty game. But, however unfortunate it may seem, the Walt Waters Memorial Pep Band is not going to be seen in the coming year.

# DENNIS "BARNEY" BARTZ MINNESOTA COACH OF THE YEAR

Bemidji High School Cross Country Coach Dennis Bartz was honored by the Track and Cross Country Coaches Association when he was named Minnesota Class AA Coach of the Year! Each person that Barney has coached feels that he is very deserving of this award. Barney possesses and continually demonstrates a very strong positive attitude; and this in turn he passes along to each team member. Barney's unique philosophies are easily practiced and shared through his coaching. He is always willing to go out of his way for the members of the team such as the annual weekend at Vining filled with "killer workouts" and fun in the sun, and the countless times that he has had his teams over for dinner. This outstanding coaching ability has led the Jacks Cross Country team to 2 consecutive Region 8 AA Championship Titles. However, the most valued characteristic Barney gives to each team member is the special gift that he is your friend first and coach second . . . and that is the dedication that helps create and motivate WINNERS!!!

## I Hugged A Child Today

It was one of those times
when nothing else mattered.
Being a man of direction
there was something I had to do.
The crowd was to the north
I headed south.
He came walking,
back in a clump
sparkle gone from his eyes.
Total devastation
Ultimately humbled, megga bummed.
One of those times
when words are hardest to find.
The next thing I knew
we were on the ground,
him sitting, me hugging
and all the emotion emptying out.
As the vessel poured out and emptied,
I was so much in touch with my life
and what it was all about
that I knew
this was where I was meant to be.
We went for a walk,
Two men,
headed south.

# HIGH HOPES

The Jacks began their season with high hopes and goals. They seemed well formed after they blitzed Crosby-Ironton and walked over Detroit Lakes. Their fine play led to a top ten ranking in the state. But then the tables turned as the Jacks lost to Park Rapies, and then Fergus Falls. Eventually, the Jacks record turned out to be 3-5. The high point of the season was when the Jacks played host to state-ranked (6th) Moorhead Spuds who barely escaped with a win, 9-6. Linebacker D. Lawrence led the defense in points, Junior B. Klobe paced the defensive line. Captain Daren Berglund captured the Offensive Lineman of the Year Award.

# PROMISING FUTURE

The Sophomores and Freshmen seem to be holding a promising future for BHS football fans. The Sophomores, coached by M. Varriano and G. Breitag, posted a 5-2 record this fall. The freshmen, coached by P. Sullivan and B. Luoma, also enjoyed a fine season winning an impressive seven out of eight games, the eighth ending in a tie. We wish them the best of luck, and look forward to seeing them in action next fall.

# BEST SEASON YET

The girls tennis team turned in one of its best seasons in history this fall, posting a 12-4 dual meet record and capturing two of its four multi-team tournaments. Every player ended up with an individual winning record. The co-captains this year were Kelly Downs and Deb Thorson. With high hopes and a strong team all around, they sent only one doubles tandem to regions, Jodi Solheim and Kelly Downs. With a great deal of depth this year, we can expect a very prosperous season next year.

# CONSISTENCY

Led by co-captains Kathy Lundberg and Alyson Sagedahl, the girls cross country team maintained its level of consistency this fall. The number of girls on hand diminished somewhat as several girls had graduated and others had moved. Despire this factor, the girls still managed to enjoy a fun and rewarding season. As graduation will claim five members, it is hoped that new girls will join the returning underclassmen next fall for a super 1984.

# REGION CHAMPS

Success was once again the byword of the boys cross country team as they captured the regional championship for the second straight year. The team headed to the state meet with hopes of finishing at the top. That appeared as if it would take place, until one key performer was forced out of action and another hampered by an injury. Although graduation will claim several top performers, the success of the team will carry over next fall as a number of outstanding prospects will return.

# BUMP. SET. SPIKE.

The Jacks volleyball team may not have had as many wins this year as they might have hoped for, but their success playing as a team outshone all the previous volleyball teams. The girls had five returning Seniors including co-captrains Pam Schlee and Stacey Niskanen, and transfer student Lauri Ludeman. Joining the seniors were three Juniors and three Sophomores. With the return of so many underclassmen, we can look forward to seeing a bright future in 1984.

# WINNING SEASONS

Winning seasons were enjoyed by both the B and C squad volleyball teams this fall. The B squad, coached by Teri Rachwall, posted a 8-7 record, winning over half of their matches. The C squad, coached by Debbie Grabrian, enjoyed a fine season, winning 9 out of their 13 matches. Success is certainly on the way, as these volleyball players return in 1984.

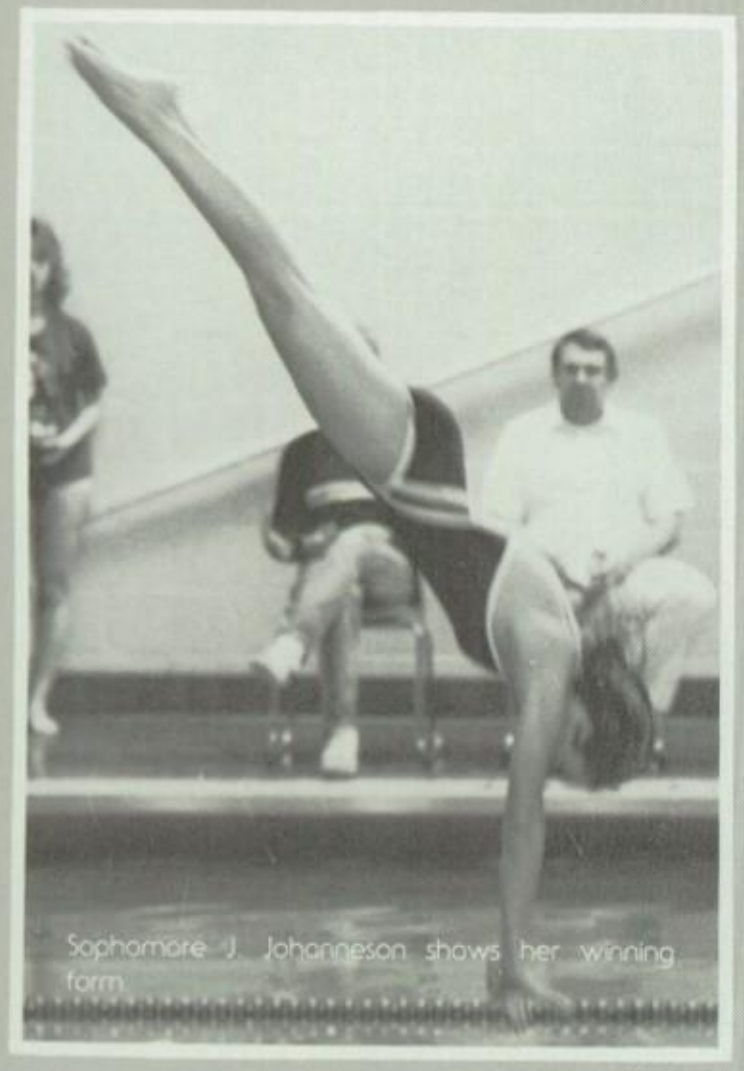
S. Nikanen gives an all out effort to keep the ball in play. P. Schiee and L. Ludeman are ready to help.



Sophomore J. Johanneson shows her winning form.

# SUCCESSFUL SEASON

The girl's swim team was successful in many respects this year. Although the team's "win" status was not undefeated, every individual improved greatly on her stroke technique and times. Because of the lack of swimmers on hand, the overall accomplishments of the team as a whole was not as good as previous seasons. However, every member on the team was looked upon as a "winner." Led by Co-captains LeAnn Albrecht and Marsha Bjerken, the team had an abundance of spirit and a good attitude.

**Row 1** J. Bratlein, L. Dondelinger. **Row 2** Coach B. McElharron, H. Thorson, K. Jensen, K. Nuebaur, G. Vencel, M. Bjerken, L. Albrecht. **Row 3** Asst. Coach D. Gillman, J. Vannasse, H. Trihey, J. Johanneson, P. Moen. **Row 4** K. Klares, M. Welk, D. Paulson, K. Bradley.

J. VanDeventer shows off his good form.

# SMALL BUT POTENT

Although the boy's swim team was small this year, they proved to be quite potent. The swimmers had to make some adjustments as a new coach, Paul Schaper, took over the reigns as head coach. Yet, their success prevailed as new school records were set and the only dual loss they witnessed was against the undefeated swimmers of Hibbing. The swimmers were led by captains Dave Herath and Joe Will. Although the team will lose many of its members to graduation, there are many talented underclassmen that will carry on the success of the swim team.

# STRONG FINISH

The 1983-84 Lumberjacks wrestling team used a late season surge to finish the year at 8-8. After a dismal 1-7 start, the Jacks found out just how tough they could be and went on to finish at the .500 mark. This was highlighted by victories over Little Falls and Grand Rapids, whom the Jacks haven't beaten for the last five years. During the season the Jacks placed 4th at both the Brainerd and Grand Rapids Invitationals. Much of the matmen's success can be attributed to head coach Rick Lee and his assistants Mr. Varriano and Mr. Nelson. At the time this went to the printer, the Lumberjacks had advanced six matmen to the Region finals: Lance Roedel, Carl Knutson, Steve Knutson, Pat Hendricks, Daren Berglund, and Dan Soltau. The coaching staff has high hopes of sending at least three individuals to the state tournament.

Team members are: A squad; Tim Smith, Dan Soltau, Pat Hendricks, Alan Bohlman, Dan Souve, Todd Christlieb, Gene Londo, Jason Golden, Carl Knutson, Lance Roedel, Keith Sorenson, Ron Moe, Mike Kock, Gregg Holub, Steve Knutson. B squad; Dale Roberts, Bill Hegstrum, Corey Strege, Joe St. Onge, Jake Nelson.

# MAINTAIN SUCCESS

The girls cross-country ski team maintained their high level of excellence once again this year by capturing the regon title for the second straight year, with Kathy Lunberg successfully defending her title. From regions, the ski team wenr on to the state meet with hopes of finishing at the top. The girls succeeded in doing just that, finishing in an excellent 4th place. Co-captrains Margret Borchers and Kathy Lunberg placed 8th and 9th at the State. We would like to commend this hard-working and dedicated group of girls for battling the cold and windy weather this winter brough about and also for completing a most successful season.

# BEST FINISH YET

This year's ski team was highly successful. The Boy's region team handily won the regional meet with Chad Jenkins, Mike Johnson, Andy Kittleson, and Scott Nelson claiming 1st, 2nd, 3rd, and 5th places. The team went on to the state meet with high spirits; and as a result, they ended up taking 2nd place. This was the highest finish ever in BHS's history! Junior Chad Jenkins took an excellent 3rd place. Under the leadership of Captain Mike Johnson, the team also enjoyed such success in winning all but one meet during their season.

With only two returning seniors, the coaching staff realized that a rebuilding year was in store. But with the addition of transfer Laurie Ludeman joining the other two seniors Pam Schlee and Jane Erickson, plus a nucleus of some excellent under classmen, the team was very optimistic. The team accomplished their goal of being the #1 seated team in the north for tournament play. Tina Erickson lead the team in scoring with a 15 plus average. The team won their first ever tournament in Feb.

The future looks bright with twelve returning letter winners.

# CAGERS EXPLODE

This season the Lumberjacks took over and became one of the best teams in the state. They worked hard and their fine play led to a top ten ranking in the state. Having an outstanding record, and a well-prepared, strong team, the state tournaments were definitely within reach. The Jacks were led by Seniors Dave Lawrence, Jeff Leyendecker, Rod Ames, Tim Gruber, and Juniors Joe Edlund, Scott Kerick, and Todd Sauer. The Jacks were coached by M. Johnson and G. Knotts. A promising future is definitely in perspective with the depth of the Jacks young, strong team.

# THE PUCKSTERS ICE THEIR OPPONENTS

The 1983-84 Lumberjack hockey team enjoyed a fine season this year. Due to the loss of 13 seniors from last year, the Jacks have been rebuilding and posted one of the most productive seasons in Lumberjack hockey history. The great season was accomplished through the fine teamwork, team effort, and team spirit exhibited by each player throughout the entire season.

The team posted a 14-5-1 regular season record including a second place finish in the Region VIII standings. This is the highest the Jacks have finished in many years. At the time this was printed, the Lumberjacks were seated second in the region tournament and hopes were high of going to state for the frist time in almost a decade.

The 1983-84 hockey team was anchored by only four seniors; Mike Johnson, Pat Braaten, John Port, and Mike Phelps, the lowest senior turnout in recent years. The tournament team consisted of the four seniors along with eight juniors and eight sophomores. The youth and the team play of this years team along with some fine B team members, should provide a positive outlook for another outstanding season next year.

# FUN ALTERNATIVE

For those who didn't wish to participate in varsity basketball this winter, intramural basketball was a fun alternative. Under the supervision of Ray Kavanagh, the six teams challenged each other once or twice a week. In January, an All-Star team was chosen to take on the teachers in the annual IBA vs. faculty basketball game. For the first time in years, the All-Stars almost beat the faculty, losing by only one point in the final seconds of the game. Lookout faculty, we'll get you next year!

# GOOD TIMES

The guys who participated in intramural hockey had the opportunity to enjoy many fun times both before and during their games. The guys were divided up into four teams with the creative names of Team Russia, Team Poland(allright!), Team Quebec, and of course, Team USA. Under the direction of Andy Stoudt, the teams challenged each other at the Nymore "Gardens" arena every Tuesday night. Teams Poland and Russia usually ended up taking most of the wins. Near the end of the season, an All-Star team was chosen to compete against the vo-tech and other teams. Even for those on the losing teams, all the guys agreed that intramural hockey was a great deal fun!

# TOP QUALITY

The B.H.S. Danceline has defninitely excelled this year! The line was first seen at the Homecoming Pepfest performing to "Chequered Love". The danceline practice schedule is demanding and takes a lot of self discipline. They practice 4-5 times a week and can be found quite often putting in late hours in the gym. All of their hard work has definitely paid off as we have seen them perform at several Basketball games. Their enthusiasm is felt by all who watch them dance, and the audience actually becomes a part of it as the gym is filled with energy. They have danced to such songs as "Love Is Alright Tonight" and "Queen of The Broken Hearts". The highlight of their season was when they greased their hair back, put on their shades and jammed to "Grease Lightnin". The dances they perform are choreographed by several members of the line. This mixture of ideas is evident with the originality each dance possess. All the credit cannot go to the girls alone, as Joan Sraudt, the advisor, has always offered the line support and her past experience has also been a great asset. Kris Winge, the captain, also takes on many of the responsibilities and has given the line much support. On Feb. 25, the line competed at Srate Competition in Minneapolis. It is evident that if their enthusiasm and dedication continue to grow, the Srate Title will soon be theirs!

# A NEW TRADITION

A new tradition was started this year as members of the Lumberjack Varsity Football Team set aside their cleats and pads and put on their towels and dancin' shoes. It was kept a secret until their debut at the 1983 Homecoming Pepfest where the Male Danceline made itself known to all. Their funds didn't allow new outfits this season so their attire consisted of T-Shirts and brief, daring towels! They performed to DEVO's "Time Out For Fun" choreographed by Rocky Wells and Jason Dahlquist along with numerous others. The music could barely be heard as the crowd rose to it's feet several times with a roar of applause and smiles of approval were seen on the faces of both students and faculty. Thus began the newest tradition at B.H.S. The Male Danceline also performed at a Girls Basketball game where they were again acknowledged with an extended applause and standing ovation. We would like to thank these football players for entertaining us and also to wish them the best in the future. We hope they continue to perform at B.H.S. sports events and who knows, maybe someday we'll see them at the State Danceline Competition.

# GRADUATION . . .
## A NEW BEGINNING

## GRADUATION

The time is soon approaching
When we must say goodbye
We all have different paths
That lead us different ways
Some of us will fail,
And some will soon succeed;
Some will always follow
Some will always lead
We all have many dreams and goals
Hopes and fears and cares
Excitements that are yet to come,
Adventures full of dares
But still we must remember
That this is where we grew
The old things that we learned right here
Will help us face the new
So don't be scared to say goodbye
And don't be scared to leave,
Just hold on tight to all you've learned,
And in yourself believe!

Once in a lifetime pictures to
treasure your whole life through.
